Dear Sirs

Please note below the responses from our Heritage Team in respect of the following planning applications:

1) **AWDM/1324/25: THE BULL INN, GORING**

   Retrospective application for timber pergola in garden.

   The pergola is not a permanent feature and will not have a detrimental effect on the character or setting of the Grade ll Listed Building.

   DECISION: No objection.

2) **AWDM/1272/25: 96/97 MONTAGUE STREET, WORTHING**

   Application for rear extractor and ducting.

   DECISION: No objection subject to Environmental Health's request re noise from extractor.

Our responses are rather shorter due to pressure of work but we have reviewed the applications thoroughly.

I hope this is helpful.

Regards,

Susan Belton
