Comments:
We would like to make the following comments:

Whilst we appreciate the desire of the applicants to improve their property, especially to ensure greater fire safety, we would like to point out that the 'private access' (as described) is a right of way for the residents of Nos. 2 and 3 Queens Place and Nos. 2 to 16 Ravens Road to exit and enter from their properties into and out of Queens Place and that access should be available to the aforementioned residents at all times
