Petition Against Proposed Development of 27 Penhill Road.

Adur district council have recieved a planning application for the proposed development of 5 two storey two bedroom houses and two flats plus parking for 12 cars on the site of 27 Penhill rd.
This development will have an impact on residents in Ingleside Crescent,Ingleside Road and Penhill Road,such as loss of privacy,being overlooked and loss of light.
Also there will be traffic pollution from vehicles and noise which is damaging to the enviroment and to the residents.
