Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	This is an overdevelopment of a small site. The first floor bedroom and bathroom windows will overlook No. 130 next door. The rear balcony will cause considerable overlooking of the neighbouring gardens, spoiling the enjoyment of them. The new development will be higher than No 128 and considerably higher than No 130
