Dear Rebekah,

Firstly thank you for your time when we met concerning the application at 1 Vincent Close, BN15 9LL.

I am very concerned about this for several reasons. Firstly the size will be very large. As a result ,it will be much nearer to my property, making the rear rooms, primarily my bedroom and sunroom, much darker.

The view from my bedroom is overlooking the garden, and was one of the reasons why I purchased this property. I have a medical condition which requires me to be in bed for a large amount of time. Having the view out of my window is very important to me. The thought of having the existing roof enlarged, nearer, and making the rear of my property darker, seems daunting.

My property is adapted to suit my needs, and my bathroom is connected to my rear bedroom. This will be clearly visible from the proposed enlargement, therefore potentially violating my privacy.

I do hope you consider my points and I thank you for your time.

Jane Forrest
