Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	I object to this application on the grounds that this property over looks my house, they already have a room in roof with Velux window and they site at this window looking down on us shouting at children walking up and down the road throwing things out of it. taking photos on there phones. we have to pull curtains in front bedroom and blind down in kitchen when they are up there because they can look through . we have different vehicles pull up all times of night and day slamming and banging car doors. Nocking front door takes them ages to answer. [redacted] looking at the plans they are putting another 3 bedrooms here why,

I object to this application.
