Dear Sir

Re Appeal By..... Urban Life Ltd

Application ADC/0023/09

Appeal No:.....APP/Y3805/A/10/212175

Thank you for your latter about the above appeal. I will certainly be there.
One building we do not wish to see is a FOUR STORY building of 10 FLATS in this Position near the church.

Nothing is said about garages and the car parking round this area is already is impossible. Looking at the new buildings in Shoreham they are impossibly small I cannot believe that these 10 flats are going to be any different.
One cannot Legislate for people not to own cars.

The timing of this appeal will be difficult for people to attend, 10 am is an awkward time I will have to cancel a meeting.

If we do not Protest who will ? we have to live with this block for the next 50 years if it stays up that long.

Yours Faithfully
