Ref. AWDM/0670/13

Dear Sir,

I am writing with ref. to planning permission of number 52 Crown Road.

ADUR & WORTHING

PLANNING SERVICES

A back dormer window will look down on our rear garden into our kitchen and lounge.

When we did our extension we made sure that we would not overlook number 52 in any way but it seems we are not going to get the same consideration Other properties have had velux windows in the rear, why cannot the same be done at no. 52.

Yours Sincerely

Thankyou.
