| **Stance:** | Customer objects to the Planning Application |
| **Reasons for comment:** | - Highway Access and Parking<br>- Overdevelopment |
| **Comments:** | Dear Sir/Madame<br>I would like to object to the the application to convert the ground floor restaurant into flats. It will be out of character to have flats on the ground floor in a parade with all other businesses. The whole project will lead to many flats, so there will be an issue with car parking, as already some local residents object to cars being parked outside their properties.<br>thanks<br>Basit Butt |

Kind regards
