to me

Dear Dawn

Please find attached full information recieved recently from Kingspan/Klargester

With regard to the drive you refer to, Forest Lane, the redlined area is in the ownership of the Applicant, Forest Farm Management Ltd, so I believe it is correctly designated.

2 Forest Barn Mews is the address used for matters to do with the Applicant company.

Please let me know if you have any further queries in relation to validation?

Yours sincerely

Andrew Fuller
