Reasons for comment:	- Design - Privacy Light and Noise
Comments:	I'd like to object to the proposed illuminated signage on Church House for Quality Dentist. This is a historic area at the heart of shoreham, right opposite an 11th century beautiful church. It is entirely out of character to have illuminated signage for a private dental clinic ruining this conservation area. I trust you will look favourably on this, and make a decision that reflects the needs of the local people, over the wishes of a business.
