Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	The proposed development will:- 1. Look straight into my property on the south side, causing loss of privacy. 2. Increase parking and traffic congestion in South Street, which is already a problem and affects me. 3. Block out the light and with the proposed development of Mount Hermon at 87a and 87b Brighton Road, will give the feeling of being 'hemmed-in'.
