Dear Sir or Madam

REF: AWDM/0059/21 Marie O'Keeffe; Property 1A Mill Hill Shoreham by Sea West Sussex BN43 5TG

With regards to your letter of the 1st February 2021 I wish to forward my comments:

1) We are neighbours of the occupiers of 1A Mill Hill, Shoreham by Sea BN43 5TG. Our garden borders their garden, and our garage is linked to their garage.

2) There is no detrimental effect on overlooking our property or loss of privacy or light and indeed the alterations enhance the appearance of the property, which was previously in a state of decline.

3) Our neighbours appear to have spent a considerable amount of money tidying up the property and improving it since they arrived.

We therefore cannot see any reason why planning should not be granted retrospectively for the building alterations as listed in your letter.

Yours sincerely
