West Sussex County Council (WSCC), in its capacity as Local Highway Authority (LHA), have been consulted on the domestic application AWDM/0722/26 with regards to highway safety and capacity matters.

The proposals are for retrospective application for extension of garage and partial conversion to a makeup studio. The existing garage will now be used on a part time basis as a makeup studio for between 2 to 3 days a week, and for between 2 to 3 hours a day. The existing parking is accommodated at the front of the house on the driveway.

The Highway Authority do not anticipate any concerns relating to highway safety or capacity; therefore, no objection is raised.
