Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment
Comments:	We feel the proposed plans are too big and oversized for the original sized property and for the surrounding properties and area. Our home will be severely overlooked, straight into our bedroom, kitchen and garden, our privacy will be totally compromised. We originally purchased our property as it wasn't overlooked, and it was private. The proposed plans of hip to gable will be a huge box perched on top of a bungalow, out of keeping, and a hideous eye sore.

Kind regards
