Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Our reasons for objecting this application is that the only natural light that is available on the east side of our property, would be completely blocked by the new upstairs westside bedroom on this proposal. We also are concerned that the new bedroom will fully overlook our back garden, which currently had privacy. Our property is immediately adjacent property in question.

Kind regards
