3rd July 2012

Dear Sir/Madam,

Re: **18, Lynchmere Avenue, Lancing, West Sussex BN15 0PD**

In reply to your letter dated 15th June 2012 regarding the unauthorised rear extension at the above address and further to you visit on 27th June 2012, the extension has already been constructed to near completion without proper consultation or planning permission and as the council are aware it has exceeded Adur and Worthing Councils building limits now resulting in an unpleasant outlook from my dining room windows as a huge dominating block structure, reducing natural daylight considerably and effectively making the dining room feel oppressive and claustrophobic.

Yours faithfully,

[redacted]

Owner/Occupier
