Thank you for the opportunity to comment on the above numbered planning application. This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. In respect to the above planning application I would provide the following comments.

Having consulted the online documents I can confirm that I have no objection to the proposed specification. The key is to have a course surface finish which has been regularly communicated to the applicant so if they have any concerns that they will not be able to achieve this then they should contact me directly.
