Subject: [Adur & Worthing Councils] Website email enquiry

Hello,

Roger Boniface ([redacted]) has sent you an enquiry from the Adur & Worthing Councils website.
The page they sent the message from was:

http://www.adur-worthing.gov.uk/planning/mobile-phone-masts/

Account / Reference number (if supplied): AWDM/1519/14

Their enquiry was:

219 Upper Shoreham Road BN43 6BE

You are welcome to sit on my upstairs wheelchair on our landing & enjoy the view of the park & trees as I do as I wait for our stair lift to come up.

A pole is an unwelcome visual intrusion, plus parking of maintenance vans. Is the parking of vans on the grass legal? Two were there today. There is parking space in the park.

Please reply to this email if required.

Thank you.
