Hello,

1 Olcote , Kings Crescent ,Shoreham by Sea, West Sussex. Application ref -AWDM/0879/22 Planning Inspectorate No-APP/Y3805/W/23/3315016

I write to object against the application to build a new 2 bedroom ,2 storey home with parking ,
The home will affect our privacy as it looks over our garden at the back of our home at 11 Kings Crescent.
Our garden is our sacred space when we return from work.
It will affect our light and the peace we have.
Even though parking is in the application there are still too many cars using Kings Gap, so more will bring more noise and disruption.
Thank-You for listening to our objection.
