Reasons for comment:	- Privacy Light and Noise
Comments:	We live in the house to the left of the property at 31 Ham Road. Looking at the plans for new kitchen/ diner , we ask that the window remains frosted as it looks directly into our bathroom . The balcony would also look directly into our very private garden. This would have an effect on us using our garden. A balcony would cause increased noise and disturbance, especially in the summer months with windows open etc.

Kind regards
