Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	1. TREES - Last week work started on this site and they have been cutting all the trees down. I have a few problems with this. First - The trees along the boundary between our property and 21 Victoria Road have been cut down which means we have LOSS OF PRIVACY. Also we HAD a lovely view of OLD ESTABLISHED trees and now we have a messy work site with NOISY machinery. The trees were a home to squirrels. So this is very upsetting that the squirrels have NO HOME now. We keep hearing about GLOBAL WARMING - we are suppose to protect trees and plant more NOT CUT THEM DOWN. Can you please ask the owner of the site to plant some NEW TREES along the boundary to make up for the trees we have lost.

2. NOISE - For a week now we have had constant noise. This is a residential area. We do not want dumper trucks and diggers and noise.

Kind regards
