Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	This tree has grown very large since it was last reduced. The branches are within inches of our property and it is reducing our light. It drops too many leaves and blocks our gutters. I am therefore strongly in favour of the proposal to reduce and think the proposed reduction is a sensible amount that will not damage this protected tree, indeed it is likely to reduce the risk of it falling in high winds.

Kind regards
