ADUR DISTRICT CONSERVATION ADVISORY GROUP

ADDENDUM TO MINUTES 15.9.26

After careful deliberation members unanimously agreed to recommend approval of the following applications:-

AWDM/1041/26 – Church of St. Mary de Haura, Church Street, Shoreham

AWDM/0900/26 – Shoreham College, St. Julians Lane, Shoreham

AWDM/1006/26 – St. Marys Church Hall 25 East St. Shoreham

AWDM/0957/26 – 95 High Street, Shoreham

In view of the site's prominence in the conservation area members felt that the use of LA Nails to create a stucco plaster effect, coupled with other variations in design/colour creates an ugly appearance & totally out of character with of this popular conservation area. It was unanimously agreed that as it stands this application be **REFUSED**

AWDM/0870/26 – Outbuilding 1-3 Ship Street, Shoreham members unanimously agreed to **APPROVE** this application. However it was felt that perhaps it might be wise to accept the offer of an archaeologist to attend the Planning Committee meeting when considering this application, to cover any emergence of archaeological finds.
