Advice to the Applicant

Requirement for an environmental permit

The sewage discharge associated with this development will require an environmental permit, or modification of an existing environmental permit, from us under the Environmental Permitting (England & Wales) Regulations 2016, unless an exemption applies. The Applicant is advised to contact our National Customer Contact Centre on **03708 506 506** (Monday to Friday 8am to 6pm) or by emailing enquiries@environment-agency.gov.uk for further advice and to discuss the issues likely to be raised.

The Applicant should note that a permit is separate to and in addition to any planning permission granted. The granting of planning permission does not necessarily lead to the granting of a permit.

Additional 'Environmental Permitting Guidance' can be found at:
https://www.gov.uk/environmental-permit-check-if-you-need-one.

If you have any queries regarding the above information relating to this application ref: AWDM/0650/24, please do not hesitate to contact the advisor identified below.

Yours faithfully,

Environment Agency – Solent & South Downs
