Comments:	ref AWDM/0842/14 This application is the first communication I have received regarding any development at 378/380 Brighton road,Shm.I am the owner of the next door property. When I visited your office on 02/10/15 no one could help me with the information I required. I would like to know exactly what activities are planned for the site,? what parking facilities have been catered for,?where the air conditioning unit /extractor is going to be located,? And what noise will it make ? And is there any smell associated with the extractor fan? I have a responsibility to my tenants living in 382-384 Brighton road,. Without this information I feel I have no alternative but to register my strong objections to this and any other applications concerning 378/380 Brighton red. Yours Anthony Barnes
