TOWN & COUNTRY PLANNING ACT 1990

TOWN & COUNTRY PLANNING (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

Proposed development
Single-storey pitch-roofed side extension

Location of development to which application relates
81 Old Fort Road Shoreham-by-Sea West Sussex BN43 5HA

Comments :- Without Prejudice :- We appreciate the Proposal for the extension that has been changed ~~from the original~~ but our concerns regarding this extension are :-

1) The plan is not clear enough On-line to see how far from the garden wall the will be built, as Long as it is not on the existing boundary line, the only concern we have is that the window will be directly opposite our own, enabling Mr & Mrs Roddis to look straight in to our house thereby invading our privacy as so much closer to our property.
2) on the "proposed Block Plan" There is a rectangular item by the front left garden (as looking towards the sea) there is no mention or description as to what that is? what is it?
3) Still a slight concern about the footings/rafter being disturbed when building the extension.

Unless you indicate below you will not be allowed to speak at the Committee meeting:-

I wish to speak on the application at the Committee meeting – **YES / NO**
