Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	The proposed first floor balcony with obscured glass to the western side will completely take away the view from our window on the same level and only a distance of about 2 meters away. This full height window in our house faces east and has been in place since the property was constructed in the 1960s.

Kind regards
