Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:
- Loss of General Amenity
- Other

Comments: The signage, having been installed without permission, should revert to the previous "Ropetackle" which is informative, factual and useful for visitors to the business centre, the arts centre and the residential areas. This sort of advertizing has no place in a conservation area and changes the character of the building detrimentally.
