Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Thank you for the chance to view our neighbour's plans. We are concerned that the proximity of the proposed two storey extension to the property will affect light into our single windowed rear bedroom and would like its potential impact to be drawn up and assessed and the findings shared with us. We note that a party wall agreement will be required should any works go ahead so close to our boundary.

Kind regards
