Dear Sir/Madam
Once again I have to send an email, re the above address,
I cannot believe what the owner is trying to do to this property in a residential area of just bungalows, it devalues other properties, as I said it intrudes into my privacy, plus the noise from a large family buying a large property, which will happen,
I ask what else will the owner want planning for ? Yes I do object
Your reference AWDM/1365/22
Regards A D'AGOSTINO
