Ref: AWDM/0198/14 Chartwell House, Chartwell Road, Lancing Business Park

On behalf of Lancing Business Park Ltd (LBP) we wish to object to the change of use application entered. The rationale behind this objection is that LBP wishes to protect its industrial use and promote employment on the business park. LBP Committee has agreed to object to any loss of Industrial use and employment space.

There is also an issue with lack of parking for visitors if used as a retail space.
