To: Louise Prew <louise.prew@adur-worthing.gov.uk>

Hi Louise,

I have looked at the proposals for the fascia sign and the hanging signs. I note the Worthing Society's comments regarding illumination of the hanging sign, which as you say is incorrect.

There are plenty of examples of Gail's shop front signs in images on the internet, and based on the proposed drawings, I do not raise any objections to these works.

Kind regards
Richard
