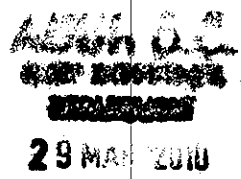
83 Greenways Crescent
Shoreham-by-Sea
West Sussex
BN43 6HR

26 March 2010



Planning Division,
Adur District Council.

Dear Sir/Madam,

Proposed development ADC/0079/10
77 Greenways Crescent

The size of the proposed building is out of proportion to the rest of the terrace and would dwarf and dominate the surrounding houses. The upper storey would seriously shadow the rear of number 79.

An additional number of bedrooms could lead to an increase of car ownership and parking would be adversely affected. In the 7 houses in the corner from numbers 75 to 87 there are already 12 cars and one van, of which only 5 are kept off the highway. Already 2 of these houses have paved their front garden for car parking.

Yours faithfully,

[redacted]

Mrs J M Barnes
