Dear Mr Barnett

Your ref: AWDM/0048/17

We have seen the revised layout of the balcony on this planning application.

We would like the following questions answered please.

The privacy screen on the balcony does not show what is there. ie: brick, clear glass or obscured glass.
There is no mention of the height of the privacy screen either.

Please note No 2 Ring Road (our neighbours) can not see us on our balcony and we can not see them on theirs.
We have a wall the width of the balcony and it is 6ft 6in high.
At the moment Linden House balcony is set back so does not overlook us.

Mr & Mrs Jupp
