Dear Mr Peck,

Skate Park, Beach Green

We are writing in reply to your letter of the 8th January with regard to the construction of a skate park on Beach Green.

We would like to stress our concern and ask whether the Council is really discussing digging up Lancing's Greatest Asset in order to build a skate park? We are horrified that this could ever be considered.

Whilst accepting that skating is currently popular, there is a very good skate park a couple of miles down the road in Shoreham (in whichever council, parish or whatever it is situated) and we understand that there are alternative sites available in Lancing - Manor Park or the football ground behind the Police Station have been mentioned - either of which would be preferable to wrecking the Green. Long term, once the Green has been destroyed like this, it is unlikely ever to be restored to its former glory. Done by any other party it would be called vandalism.

A further concern is the busy A259, already all too frequently chaotic. It is almost an accident waiting to happen if you add children into the mix. Their safety must be an absolute priority.

We ask that these concerns be taken into consideration when this matter is under discussion.

Yours Sincerely,

[redacted]
