RE: AWDM/1840/15

I wish to support the application, I currently work at the nursery and have found there is a high demand for extra days for the children that attend and for new siblings coming along that we are often having to turn away. We pride ourselves on providing high quality childcare to give children the best opportunities to reach their full potentials, giving them a head start before starting school. We would like to be able to offer additional days for the children who already attend and also have some extra space for new children wishing to join which I believe would be of great benefit to the families of Shoreham.

Yours sincerely,

[redacted]
