Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	Although I am not against removal of the two trees I am concerned about choice of species for replacement with Silver Birch. There is a high population of this species in the immediate area and would suggest a change in choice choice for diversity given the wide range of species available from tree nurseries. Birch are relative a short lived species and better replaced with a species likely to have a longer life expectancy.

Kind regards
