Comments: I'm in agreement with the expansion of the nursery setting as there will be more of an opportunity for young children to learn and develop. The nursery has an outstanding Ofsted report and has won nursery of the year 2018, its in a fantastic location for local families who are in great need of nursery places. It will provide job opportunities for local people to join the fantastic team who are already there. It will provide a great outdoor space as well as a new and improved indoor environment.
