15/8/17

Dear Sir
South Cross, The Street, Shoreham-by-Sea
Ref: AWDM/1229/17

I have your letter of 11th August. The tree in question badly needs at least the top cut off. I know the problem with its roots as I have a sycamore in my garden. I have no objection to it being cut down completely if that is what the official requires

Yours sincerely
