Development Control – Delegated Officer Report

Application Number: AWDM/1410/20 Recommendation – APPROVE

Site: 17 Applesham Court, South Street, Lancing, BN15 8AU

Proposal: Proposed replacement of timber to uPVC windows to east elevation at 1st floor

Date of site visit: 27.02.2020 (regarding no. 6)

Neighbours checked: Y

Additional neighbour notifications: N

Proposal, Site and Surroundings

The application property is a 3 storey purpose built block of 18no. flats, with a hipped roof, and buff coloured facing bricks with red brick quoins and soldier coursing dividing the storeys. The windows within the block are all dark wood framed.

The site is located within the central position within Lancing town. There is a mixture of property types and uses within the vicinity, with commercial uses comprising mainly retail, and there is also a high proportion of residential properties.

No. 17 Applesham Court is a second floor flat, and the windows of this flat face to the road (east).

The proposal seeks permission to replace the dark wood timber framed windows with PVCu (Rosewood) windows.

Planning History:

No. 1 **AWDM/0585/13** Installation of replacement PVCu windows **Approved 08.07.2013**

No. 2 **AWDM/0651/16** Replacement of two timber casement windows with brown PVCu casement windows at first floor level in south and west elevations. **Approved 14.06.2016**

No.4 **AWDM/0666/19** Replacement of 2no. timber windows at first floor level east elevation with brown PVCu windows. **Approved 05.06.2019**

No.5 **AWDM/0652/16** Replacement of one timber casement window with brown PVCu casement window at first floor level to rear (west) elevation. **Approved 14.06.2016**

No.6 **AWDM/0153/20** Replacement of existing timber windows at 2nd floor south and west elevations with rosewood uPVC. **Approved 02.03.2020**

No.7 **AWDM/1778/18** Replace timber windows with rosewood PVCu double glazed windows at 2nd floor east and south elevations. **Approved 14.01.2019**

No.10 **AWDM/1288/18** Remove units and replace with PVCu rosewood double glazed units at ground floor level north and east elevations. **Approved 18.10.2018**

Consultations: None

Representations:
Lancing Parish Council: No objection

Planning Assessment

Principle

There is no objection to the proposed removal of the timber windows and replacement with PVCu windows in Rosewood within the block of flats.

The relevant issues are the effects on the amenities of neighbouring residential occupiers and the effect on the character and appearance of the building and its surroundings.

Visual Amenity

The existing block of flats has fairly uniform windows within it with regard to the colour and design. The 2no. windows in question will be on the second floor to the front of the building, situated directly above the existing vehicular drive within the centre of the block.

The replacement windows will duplicate design and the colour of the existing windows within the block, but will change the material from timber to PVCu. This change is in accordance with many other flats within the block who have undertaken a change to PVCu

Residential Amenity

The change of materials will not affect the residential amenities of neighbouring residential properties.

Recommendation

APPROVE subject to the following conditions.

1. Approved plans
2. Standard time limit
3. The colour of the replacement windows

Informative
1. Approved without amendments

Is recommendation contrary to letter(s) of representation? N
