Dear Marie,

RE: **AWDM/0950/25 - Adur Outdoor Activities Centre Brighton Road Shoreham-by-sea West Sussex BN43 5LT.**

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying to replace painted wooden cladding with anthracite grey uPVC cladding on external walls of the climbing wall building. Replace rotten wooden balcony deck with composite decking boards. Relocate converted container unit, used as a 'snack shack', to south side. The application is to Adur District Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application**.

Yours sincerely,

Sustainable Water Management Officer
