Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	We have now been informed that the owners of the property have consulted with their neighbours at the sides of the building and have modified the design to suit them. Unfortunately no one has spoken to the neighbours in Harbour Way, nos. 64, 66, 68 regarding the fact that the plan is still large, an over development which, if passed will mean we all lose the privacy in the back of our houses, and the first floor terrace will directly overlook our gardens.

The increased ridge height is from a single to a double storey building with 3 double glass doors facing west.

Kind regards
