Comments:	Hello Sirs/Madams, Having read the planning application I am wondering if someone can ring me or email me to explain what the process is and why it needs to be carried out as I am not completely clear or understanding? If this is simply because the trees need cutting back and will be healthy thereafter I am happy but if it will harm the trees or stunt their growth I am not because trees are so important to our health and wellbeing plus they are a blessing and improve the outside environment at the flats. Our flat backs on to some of these trees and it is always pleasant to see them there and I wouldn't wish for any harm to come to them or for them to be removed. Thank you, Rose

Kind regards
