Marie O'Keeffe

Ref: AWDM/1804?21

We received the letter on Thursday 7th October regarding amendments for work on the above property.

Seems a bit late, as the wall with one window has already been built.
The roofers are here already doing the roof.

Will the front of the property be all white, as there are breeze blocks for the porch?

If there is any change to the position of the steps for access to the east side of the property,
perhaps we would be notified before the work is carried out.

Regards

Mr & Mrs R Jupp
