Planning Application ref. 11/0178/FULL

PP-01380399

Ref the above planning application for an extension to 9, Cissbury Drive, Findon Valley.

My name is D.A.Jull and I am the owner of the next door property, No.7 Cissbury Drive. I have seen the details of the proposed extension and in my opinion they contain nothing detrimental to myself or to the area. Most of the properties in Cissbury Drive have been altered or extended over the last few years which has considerably enhanced the appearance of the locality. No 9 will certainly be improved by the proposed extension and be much more in keeping with the rest of the road.

I therefore believe permission should be granted for the proposed extension to go ahead.

D.A.Jull
