Comments:	I would like to register my support of this application tendered in respect the stained glass business known as Anna Stained Glassworks and operated by Ms. Anna Davis. I am familiar with the location of, The Hut, building from which Anna's business is operated and the proximity of other buildings, both residential and non residential in the same locale and can perceive no justifiable reason why the application would give any cause for concern. To this end, I feel that any negative comments in regard of this application must have been made in ignorance by ill informed parties or have been lodged in malice. Anna is a client of my web design agency and I have known her personally for almost 20 years. For the past 13 years Anna has worked extremely hard to build her stained glass business, she claims no benefits despite being a single parent. She [redacted]
