Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This horrific destruction of nature should not be allowed to happen in the first place. The least they can do is protect neighbours from more building noise whilst building this on the only wildlife area in the town. They should be made to put the fencing up first so as to protect the wildlife and neighbours.
