Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment
Comments:	I am given to understand that this application has been referred back to the developer, after consideration by the planning department of the objections. I am the Vice Chairman of the Shoreham Beach Neighbourhood Forum(SBNF), who I am sure you are aware are being supported by Adur Council in the formulation of a Neighbourhood Plan. This application is clearly within the subject matter that this plan will cover, and I would be grateful for an update on this application. The SBNF are not against development, however it must be in keeping with the existing street scene and not be a departure into areas that could very well affect other residents to a degree of being detrimental to the already built properties.
