T.P. OFFICE COPY

BOROUGH OF WORTHING
DEPOSITED 24.5.10
TP REF No.
WB/ 10 /0444/4BL

DESIGN & ACCESS STATEMENT
Ref.: 52b Richmond Road

Address: 52b Richmond Road
Worthing
West Sussex
BN11 1PS

The works involve the installation of a new electricity meter box. The existing arrangement is direct from 52 Richmond Road, which does not conform to current regulations. It is proposed to install the new meter box in the porch, as detailed on the submission drawings. The cable will then be concealed in the sub floor void of the timber floor and taken to the existing consumer unit.

Use
Residential. 52b Richmond Road is a self contained flat to the rear of 52 Richmond Road.

Appearance
It will not be possible to see the new meter box from the road, or when looking directly at the east elevation. The new meter box will be as detailed on the supporting documentation submitted with the application.

Justification Statement
The works are required to replace a deteriorating electricity main cable.
